Why Participate?

MDS is the local professional dental association serving Manatee County and affiliated with the West Coast District Dental Association.

MDS provides quality continuing education at a beautiful location with a meeting attendance averaging 30-40.

MDS encourages members to bring non-members to meetings. Commitment is a key priority to association growth and quality meetings for our members.

Members are encouraged to RSVP through electronic newsletters. This results in increased exposure to our sponsors.

Great networking opportunities! Talk one-on-one with MDS members and address the group at the start of each meeting.

MDS members recognize the importance of vendors and appreciate their support of our meetings.
